

We reserve the right to make any changes necessary regarding rules or format in the interest of the event.

All Karts Must Have Transponder Pouch - Flat Karts Mount at Base of Steering Shaft - Cage Karts Mounted On Rear Cross Bar Behind Driver.

We reserve the right to combine and adjust any classes that have a number of karts that we feel will not put on a reasonable show.

Flat Kart Rules

These rules take precedent over little sunset website/NKA/Maxxis Series rules regarding **all flat kart classes and supercedes all previous flyers.**

Open Clutch, no loop style headers. Pipes and silencers listed below Kart Number Must be on Both Sides and RF Nose for proper scoring

Maxxis Pinks and Blues Tire rule no treaded tires 10 inch maximum rim width. Flat restrictors only no funnels

Engine Shroud Taping is acceptable for this event.

Spec fuel location will be posted on Little Sunset Speedway Facebook the week of the event. All competitors responsible for bringing correct fuel
